

Teachers to Get Information on State 1st Hand

Four Perry School teachers who are currently teaching California history are going to find out about it first hand.

The quartet — Paul Horgan, Carol Neubig, Marilyn Sorenson and LaVerne Swegles—plan to take a trip to Monterey and back this week end, stopping at missions and other historical spots along the way. They will camp out at night.

Horgan, Miss Neubig and Miss Sorenson all are new to California, hailing from Massachusetts, Ohio and Minnesota, respectively. Miss Swegles, a native Californian, will conduct the instruction. The new teachers are teaching about California as part of the fourth grade program.

TOPIC TOLD FOR LESSON ON SUNDAY

The arresting words of Habakkuk, "Art thou not from everlasting, O Lord my God, mine Holy One? we shall not die," opens the Lesson-Sermon "Are Sin, Disease, and Death Real?" in all Churches of Christ, Scientist, on Sunday. Habakkuk's words continue, "Thou art of purer eyes than to behold evil, and canst not look on iniquity."

A reference from Psalms continues this thought, "That thy way may be known upon earth, thy saving health among all nations." (Hab. 1:12, 13; Ps. 67:2)

A companion reference from "Science and Health with Key to the Scriptures" by Mary Baker Eddy declares, "If God, the All-in-all, be the creator of the spiritual universe, including man, then everything entitled to a classification as truth, or Science, must be comprised in a knowledge or understanding of God, for there can be nothing beyond illimitable divinity" (p. 127).

The Golden Text of the sermon is taken from Solomon's words in Proverbs (12:28), "In the way of righteousness is life; and in the pathway thereof there is no death."

Mayor Names 3 Persons to Commission

The differences between the city council and members of the recreation commission were termed "a misunderstanding" by Mayor Albert Isen this week as he received resignations of two more members of the advisory board.

Accepted were resignations of George Vico, who announced last week that he was quitting, and Herbert Albright, who is moving his residence from the city.

Unlike the others, Albright didn't blast the council when he resigned. Instead, he praised the city's handling of recreation affairs, and indicated that he did not go along with recent comments by resigning commissioners.

Isen appointed three new members to the commission, bringing its membership to strength again. Appointments approved Tuesday included Mrs. Kenneth McVey of north Torrance, Ralph Morris of Hollywood Riviera, and Bernie Dougan, of downtown Torrance. These three commissioners will join Rev. Milton Sippel, Lawrence Gitschler, Mrs. Rose Craig, and Robert Cramer on the seven-man board.

Wesley Guild Sets Meeting

All businesswomen are cordially invited and for reservations call Mrs. Aolia Fisher, FAirfax 8-7399.
